Autumn 2017 Catalogue

About us

At Open Book Publishers we are changing the nature of the traditional academic book. Founded and run entirely by academics, we are a non-profit organisation committed to making high-quality research freely available to readers around the world. Our books are published in hardback, paperback, PDF and e-book editions, but they also include a free online edition that can be read via our website and embedded anywhere. OBP's titles are free to share and re-use, through Creative Commons licences.

We are proud to say that our online editions are currently being accessed by thousands of readers each month in over 200 countries. All our books are double peer-reviewed at the proposal and manuscript stages to ensure they are at the forefront of their field.

WE OFFER LIBRARIANS AND BOOKSELLERS

- » An innovative and affordable [Library Membership Scheme](#)
- » Affordable high-quality editions printed on acid-free paper
- » Discounts and free shipping
- » The option to purchase through all the major wholesale distributors including Barnes and Noble, Bertram Books, Blackwells, Coutts, Dawsons, Ebrary, EBSCO, Gardners Books, Ingram Content Group, Nielsen, OpenEdition, SWETS and YBP

WE OFFER READERS

- » Free online access to complete digital editions of all publications
- » High quality paperback, hardback and ebook editions
- » Free access to interactive online material
- » Free shipping to the UK, US, EU, Canada, Australia and NZ for orders over £40

Piety in Pieces

How Medieval Readers Customized their Manuscripts

KATHRYN M. RUDY

 Read it online

This is a brilliant contribution to the field of the materiality of Medieval manuscripts which currently emerges as a highly important intersection of art history, codicology, cultural studies and history of devotion.

— Henrike Lähnemann, Chair of Medieval German Literature and Linguistics, University of Oxford

Piety in Pieces is a scholarly work of high quality that makes multiple original contributions to the fields of codicology, paleography, book history, media studies, reception theory, material culture, and the study of religious and devotional practices in the late Middle Ages and early Renaissance. The book is structured around a series of close-up examples which constitute a practical guide for understanding manuscripts in all of their complex materiality. Especially impressive is Rudy's willingness to deal with the "afterlife" or "long life" of the manuscript, that is, the notion of the book as more than just the result of one fixed moment in time but an accumulation of decisions over many years—decisions that reflect changing tastes, devotional trends, and very human fears and desires linked to memory, time, and the hope for salvation. This book is essential reading for scholars and advanced students of medieval manuscripts, since it offers essentially new understandings of their production and audience.

— David S. Areford, Associate Professor of Art History, University of Massachusetts Boston

In the Lands of the Romanovs

An Annotated Bibliography of First-hand English-language Accounts of the Russian Empire (1613-1917)

ANTHONY CROSS

 Read it online

This is no mere booklist but an exercise in critical bibliography, detailed and interesting to read as a text: each entry is accompanied by information on the author and Professor Cross's reflections on the book in hand. Practically, all the entries depend upon 'first-hand' knowledge—in historians' parlance, they are primary sources. [...] Only a specialist with the greatest expertise (not me) could find omissions or mistakes in this book. But I find it hard to believe that much has escaped the painstaking scrutiny of Professor Cross.

— John George Kendall, *Reference Reviews*

Over the course of more than three centuries of Romanov rule in Russia, foreign visitors and residents produced a vast corpus of literature conveying their experiences and impressions of the country. The product of years of painstaking research by one of the world's foremost authorities on Anglo-Russian relations, *In the Lands of the Romanovs* is the realization of a major bibliographical project that records the details of over 1200 English-language accounts of the Russian Empire. Ranging chronologically from the accession of Mikhail Fedorovich in 1613 to the abdication of Nicholas II in 1917, this is the most comprehensive bibliography of first-hand accounts of Russia ever to be published. Providing full bibliographical details and concise, informative annotation for each entry, this substantial bibliography will be an invaluable tool for anyone with an interest in contacts between Russia and the West during the centuries of Romanov rule.
