# About us

At Open Book Publishers we are changing the nature of the traditional academic book. Founded and run entirely by academics, we are a non-profit organisation committed to making high-quality research freely available to readers around the world. Our books are published in hardback, paperback, PDF and e-book editions, but they also include a free online edition that can be read via our website and embedded anywhere. OBP's titles are free to share and re-use, through Creative Commons licences.

We are proud to say that our online editions are currently being accessed by thousands of readers each month in over 200 countries. All our books are double peer-reviewed at the proposal and manuscript stages to ensure they are at the forefront of their field.
