About us

At Open Book Publishers we are changing the nature of the traditional academic book. Founded and run entirely by academics, we are a non-profit organisation committed to making high-quality research freely available to readers around the world. Our books are published in hardback, paperback, PDF and e-book editions, but they also include a free online edition that can be read via our website and embedded anywhere. OBP's titles are free to share and re-use, through Creative Commons licences.

We are proud to say that our online editions are currently being accessed worldwide by thousands of readers each month. All our books are double peer-reviewed at the proposal and manuscript stages to ensure they are at the forefront of their field.
